OPENING AND EVALUATION OF BID

22. Opening of Bid

22.1 The bid shall be opened by the Purchaser in the presence of the bidder's representatives who choose to attend at the time and date specified in Clause 19.1, at the office of the Purchaser, given in Clause 18.2 (a). The bidder's representatives who are present shall sign a register evidencing their attendance.

- 22.2 The bidder's name, bid price, modifications, bid withdrawal, and the presence or absence of the requisite bid security, and such other details as the Purchaser, at its discretion, may consider appropriate will be announced and recorded at the opening.

23. Clarification of Bid

- 23.1 To assist in the examination, evaluation and comparison of bid, the Purchaser may, at its discretion, ask the bidder for a clarification of its bid. All responses to requests for clarification shall be in writing, and no change in the price or substance of the bid shall be sought, offered or permitted except as required to confirm the corrections of arithmetical errors discovered in the evaluation of bid.

24. Determination of Responsiveness of Bid

- 24.1 Prior to the detailed evaluation of the bid, pursuant to Clause 26, the Purchaser will examine and determine the substantial responsiveness of the bid to the requirements of the bidding documents. A substantially responsive bid is one which:
- (a) meets the eligibility criteria specified in Clauses 2 and 3;
 - (b) has been properly signed on the Bid Form;
 - (c) is accompanied by the required Securities and these Securities are valid and in good order;
 - (d) the technical specifications for each item / equipment quoted in the price Bid Schedule B should meet the major technical criteria as specified for each item / equipment in technical specifications of this document;
 - (e) meets the delivery period set out in Schedule A Special Stipulations to Bid;
 - (f) meets the rate and limit of liquidated damages as specified in Schedule A Special Stipulations to Bid;
 - (g) offers fixed price quotations i.e. the bid do not offer an escapable price quotation;
 - (h) is otherwise complete and generally in order;
- (j) conforms to all the terms, conditions and Specifications of the bidding documents, without material deviation or reservation. A material deviation or reservation is one:
- (i) which affects in any substantial way the scope, quality or performance of the Goods; or
 - (ii) which limits in any substantial way, inconsistent with the bidding documents, the Purchaser's rights or the bidder's obligations under the Contract.
- 24.2 The bidder's responsiveness shall be based on the contents of the bid itself without recourse to extrinsic evidence.

- 24.3 The bid determined as not substantially responsive will be rejected by the Purchaser and may not subsequently be made responsive by the bidder by correction or withdrawal of the nonconforming deviation or reservation.
- 24.4 The Purchaser may waive any minor informality or non-conformity or irregularity in the bid.
- 24.5 Correction of Arithmetical Errors: Bid determined to be substantially responsive will be checked by the Purchaser for any arithmetic errors. Errors will be rectified as follows:
- (a) for the total individual bid price of each item / equipment entered in paragraph of the Bid Form, if there is a discrepancy between the amounts in Figures and in words, the amount which tallies with the total individual Bid Price of each item / equipment, shown in the Price Schedule for each item / equipment, will govern unless the Bid Contains a specific statement confirming the total individual Bid Price of each item / equipment.
 - (b) where there is a discrepancy between the unit rate and the total price resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern and the total price shall be corrected, unless in the opinion of the Purchaser, there is an obviously gross misplacement of the decimal point in the unit rate, in which case the total price for each item / equipment as quoted will govern and the unit rate will be corrected, and
 - (c) where there is a discrepancy in the total price quoted in the Price Schedule of each item / equipment vis-à-vis addition of each item / equipment, the total of the itemized prices will govern.

The amount stated in the Bid Form will be adjusted by the Purchaser in accordance with the above procedure for the correction of errors, and shall be considered as binding upon the Bidder. If the Bidder does not accept the correction of the errors for any item / equipment in the Bid, his Bid will be rejected for the specific item / equipment and the Bid Security for that item / equipment will be forfeited in accordance with Clause 15.6.

Corrected Total individual Bid Price for each item / equipment: The price as determined after the application of arithmetic corrections shall be termed as Corrected Total individual Bid Price for each item / equipment.

25. Evaluation and Comparison of Bids

The Purchaser will evaluate and compare the bids previously determined to be substantially responsive, pursuant to Clause 24, as stated hereinafter.

25.1 Basis of Evaluation and Comparison of Bid

The Bids of only those Bidders who are substantially responsive to the requirements of the Bidding document will be considered for evaluation. The evaluation and comparison of the Bid will be done item / equipment wise. The offer/ contract will

be awarded to those Bidders whose corrected and evaluated Bid Price for that specific item is the lowest.

25.2 Evaluated Bid Prices

The Purchaser evaluation of a bid will take into account in addition to the Bid Price, the following factors (Adjustments) in the manner and to the extent stated hereinafter. Adjustment will be based on corrected Bid Prices. The price so determined after making such adjustments will be termed as Evaluated Bid Price. Correction of arithmetical errors as stated in Clause 24.5. The cost of making good any deficiency resulting from any acceptable, quantifiable variations and deviations from the Schedules, Conditions of Contract and Specifications, shall be added to the corrected Bid Price for comparison purposes only. For bid offering delivery period of the Service earlier than the period specified in the Schedule A Special Stipulations to Bid, no credit will be given. Terms of Payment: The bidder shall state their bid price for the payment terms outlined in the Conditions of Contract. The bid will be evaluated on the basis of this base price. The bidder may state alternate payment terms and indicate the reduction in bid price that wish to offer for such alternative payment terms. The Purchaser may consider the alternative payment terms offered by the bidder.

26. Contacting the Purchaser

26.1 Any effort by a bidder to influence the Purchaser in the Purchaser's decisions in respect of bid evaluation, or Contract award will result in the rejection of the bidder's bid.

27. Purchaser's Right to Accept the Bid or Reject the Bid

27.1 The Purchaser reserves the right to accept or reject any bid at his sole discretion and to annul the bidding process at any time prior to award of Contract, without thereby incurring any liability to the bidder or any obligation to inform the bidder of the grounds for the Purchaser's action.

AWARD OF CONTRACT

28. Post-qualification and Award Criteria

28.1 The Purchaser will determine to its satisfaction whether the bidder has offered Goods or Service at reasonable prices consistent with the current prevailing market prices and is qualified to satisfactorily perform the Contract

28.2 An affirmative determination will be prerequisite for award of the Contract to the bidder. A negative determination will result in rejection of the bidder's Bid.

28.3 Subject to Clause 27 above, the Purchaser will award the Contract to the bidder if its bid has been determined to be substantially responsive to the bidding documents and consistent with the current prevailing market prices

as determined by the Purchaser, provided further that the bidder is determined to be qualified to satisfactorily perform the Contract.

29. Purchaser's Right to Vary Quantities at Time of Award

- 29.1 The Purchaser reserves the right at the time of award of Contract to increase the quantity up to 15% of Service specified in the Specifications, without any change in unit prices or other terms and conditions.

30. Notification of Contract Award

- 30.1 Prior to the expiration of the period of bid validity, the Purchaser will notify the bidder in writing by registered letter that its bid has been accepted. This letter is termed as Letter of Acceptance.
- 30.2 The notification of award will constitute the formation of a contract, until the Contract has been affected pursuant to Clause 32 below.

31. Signing of Contract

- 31.1 After the acceptance of performance security by the Purchaser, the Purchaser will send to the successful bidder the Contract Form provided in the bidding documents, incorporating all agreements between the parties.
- 31.2 Within three (3) days of the receipt of such Contract Form, the bidder shall sign and date the Contract and return it to the Purchaser.

32. Performance Security

Within seven (7) days of the receipt of the Letter of Acceptance from the Purchaser, the bidder shall furnish the performance security, in accordance with the Conditions of Contract, in the performance security Form provided in the bidding documents or another form acceptable to the Purchaser.

ADDITIONAL INSTRUCTIONS

33. Instructions to Assist the Bidder

- 33.1 Bid shall be prepared and submitted in accordance with the instructions set forth herein. These instructions to Bidders are provided to assist in preparing their Bid and shall not constitute part of the Contract Documents.

34. Income Tax & General Sales Tax

- 1.1 The bidder may make inquiries on income tax to the concerned authorities of Income Tax and General Sales Tax Department, Government of Pakistan.

17. Prices

- 17.1 Prices charged by the Contractor for Services, Goods delivered, tested, and imparting training under the Contract shall not vary from the prices quoted by the Contractor in the Price Schedule.

18. Change Orders

- 18.1 The Client may at any time, by written notice to the Contractor, instruct the Contractor to alter, amend, omit, add to or otherwise change any part of the Works.
- 18.2 Upon notification by the Client of such change, the Contractor shall submit to the Client an estimate of costs for the proposed change (hereinafter referred to as the Change), within ten (10) calendar days of receipt of notice of the Change, and shall include an estimate of the impact (if any) of the Change on the delivery dates under the Contract, as well as a detailed schedule of execution of Works under the Contract.
- 18.3 The Contractor shall not perform Changes in accordance with Clause 18.1 above until the Client has authorized a Change Order in writing
- 18.4 Changes mutually agreed upon shall constitute a part of the work under this Contract, and the provisions and conditions of the Contract shall apply to said Change.

19. Contract Amendments

- 19.1 Subject to Clause 18, no variation in or modification of the conditions and terms of the Contract shall be made except by written amendment signed by the parties.

20. Assignment

The Contractor shall not assign in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

21. Subcontracts

- 21.1 The Supplier shall not subcontract all or any part of the contract without first obtaining the Purchaser's approval in writing of the subcontracting and the subcontractor.
- 21.2 The Supplier guarantees that any and all subcontractors of the Supplier for performance of any part of the work under the contract will comply fully with the terms of the Contract applicable to such part of the work under the contract.

22. Extensions in the Contractor's Performance

- 22.1 Delivery of the Service and performance of the Services shall be made by the Contractor in accordance with the Contract Execution Schedule, pursuant to Clause 10.2 hereof.
- 22.2 If at any time during performance of the Contract, the Contractor should encounter conditions impeding timely delivery of the Goods and performance of Services,

the Contractor shall promptly notify the Client in writing of the facts of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Contractor's notice, the Client shall evaluate the situation and may at its discretion extend the Contractor's time for performance.

- 22.3 Except as provided under Clause 25, a delay by the Contractor in the performance of its delivery obligations shall render the Contractor liable to the imposition of liquidated damages pursuant to Clause 23, unless an extension of time is agreed upon pursuant to Clause 22.2 without the application of liquidated damages.

23. Liquidated Damages

- 23.1 Subject to Clause 25 hereof, if the Contractor fails to deliver any or all of the Services or Goods within the time period(s) specified in the Contract, the Purchaser shall without prejudice to any other remedy it may have under the Contract, deduct from the Contract Price as liquidated damages, a sum of money equal to the percentage named in Schedule A Special Stipulations to Bid, of the Contract Value which is attributable to such part of the Services/Goods as cannot in consequence of the delay be put to the intended use for every day or part of a day between the scheduled delivery date with any extension of time thereof and the actual delivery date(s) provided that the amount so deducted shall not exceed in the aggregate, the percentage named in the Schedule-A to Bid of the Contract Price.

24. Termination for Default

- 24.1 The Purchaser may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Contractor, terminate the Contract in whole or in part:
- (a) if the Contractor fails to deliver, test and impart training of any or all of the Goods within the time period(s) specified in the Contract, or any extension thereof granted by the Client pursuant to Clause 22; or
 - (b) if the Contractor fails to perform any other obligation(s) under the Contract; and
- c) if the Contractor, in either of the above circumstances, does not cure its failure within a period of two (2) weeks (or such longer period as the Client may authorize in writing) after receipt of a notice of default from the Client specifying the nature of the default(s).
- 24.2 In the event the Purchaser terminates the Contract in whole or in part, pursuant to Clause 24.1 above, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Contractor shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Contractor shall continue performance of the Contract to the extent not terminated.

25. Force Majeure

- 25.1 Notwithstanding the provisions of Clauses 22, 23 and 24, the Contractor shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other

failure to perform its obligations under the Contract is the result of an event of Force Majeure.

25.2 For purposes of this clause, "Force Majeure" means an event beyond the control of the Contractor and not involving the Contractor's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

25.3 If a Force Majeure situation arises, the Contractor shall promptly notify the Purchaser in writing of such condition and the cause thereof with a copy to the Client. Unless otherwise directed by the Purchaser in writing, the Contractor shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

26. Termination for Insolvency

26.1 The Purchaser may at any time terminate the Contract by giving written notice to the Contractor, if the Contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Contractor, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.

27. Termination for Convenience

27.1 The Purchaser may, by written notice sent to the Contractor, terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective.

27.2 The Service which are complete and ready for shipment within four (4) weeks after the Contractor's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:

- (a) to have any portion thereof completed and delivered at the Contract terms and prices and/or
- (b) to cancel the remainder and pay to the Contractor an agreed amount for partially completed Goods and for materials and parts previously procured by the Contractor for the purpose of the Contract, together with a reasonable allowance for overhead & profit.

28. Resolution of Disputes

28.1 The Purchaser and the Contractor shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

28.2 If, after twenty-eight (28) days, from the commencement of such informal negotiations, the Purchaser and the Contractor have been unable to resolve amicably a Contract dispute, either party may, within one month, require that the dispute be referred for resolution by arbitration under the Rules of Pakistan Arbitration Act 1940, as amended, by one or more arbitrators selected in accordance with said Rules. The place for arbitration shall be Lahore, Pakistan. The award shall be final and binding on the parties.

29. Contract Language
