- (c) an item-by-item commentary on the Procuring Agency' s

Technical Specifications demonstrating substantial responsiveness of the goods to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications.

14.4 Pursuant to ITB Clause 14.3(c) above, the Bidder shall provide a certificate from the manufacturer / authorize dealer that standards for workmanship, material, and equipment, as well as references to brand names or catalogue numbers designated by the Procuring Agency in its Technical Specifications, are intended to be descriptive only and not restrictive. The Bidder may substitute alternative standards, brand names, and/or catalogue numbers in its bid, provided that it demonstrates to the Procuring Agency's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specification.

15. Bid Security

15.1 Pursuant to ITB Clause 9, the Bidder shall furnish, as part of its bid, a bid security as per required %age of estimated cost specified in the Bid Data Sheet.

15.2 The bid security is required to protect the Procuring Agency against the risk of Bidder's conduct which would warrant the security's forfeiture, pursuant to ITB Clause 15.7.

15.3 The bid security shall be in Pak. Rupees and shall be in one of the following forms:

(a) Bank Guarantee, CDR, Demand Draft (DD), Pay Order (PO) valid for thirty (30) days beyond the validity of bid.

15.4 Pursuant to ITB Clause 24 any bid not secured in accordance with ITB Clauses 15.1 and 15.3 will be rejected by the Procuring Agency being nonresponsive.

15.5 Unsuccessful bidders' bid security will be discharged or returned as promptly as possible but not later than thirty (30) days after the award of contract to the successful lowest evaluated bidder.

15.6 The successful Bidder's bid security will be discharged upon the Bidder signing the contract, pursuant to ITB Clause 32, and furnishing the performance security, pursuant to ITB Clause 33.

15.7 The bid security may be forfeited:

(a) if a Bidder withdraws its bid during the period of bid validity

specified by the Bidder on the Bid Form; or

- (b) in the case of a successful Bidder, if the Bidder fails:
 - (i) to sign the contract in accordance with ITB Clause 32;
or
 - (ii) to furnish performance security in accordance with ITB Clause 33.

**16. Period of
Validity of Bids**

16.1 Bid shall remain valid for the period specified in the Bid Data Sheet after the date of bid opening prescribed by the Procuring Agency, pursuant to ITB Clause 19. A bid valid for a shorter period shall be rejected by the Procuring Agency as nonresponsive.

16.2 In exceptional circumstances, the Procuring Agency may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by email). The bid security provided under ITB Clause 15 shall also be suitably extended. A Bidder may refuse the request without forfeiting its bid security. A Bidder granting the request will not be required nor permitted to modify its bid, except as provided in ITB Clause 16.3.

16.3 In the case of fixed price contracts, if the award is delayed by a period exceeding sixty (60) days beyond the expiry of the initial bid validity, the contract price will be adjusted by a factor specified in the request for extension.

**17. Format and
Signing of Bid**

17.1 The Bidder shall prepare an original and the number of copies of the bid indicated in the Bid Data Sheet, clearly marking each "ORIGINAL BID" and "COPY OF BID," as appropriate. In the event of any discrepancy between them, the original shall govern.

17.2 The original and the copy or copies of the bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the contract. All pages of the bid, except for unlamented printed literature, shall be initialed /signed by the bidder or person authorized by the bidder on his behalf.

17.3 Any interlineation, erasures, or overwriting shall be valid only if they are initialed by the person or persons signing the bid.

17.4 The Bidder shall furnish information as described in the Form of Bid on commissions or gratuities, if any, paid or to be paid to agents relating to

the Bid, and to contract execution if the Bidder is awarded the contract.

D. Submission of Bids

18. Sealing and Marking of Bids

18.1 The Bidder shall seal the original and each copy of the bid in separate envelopes, duly marking the envelopes as "ORIGINAL" and "COPY." The envelopes shall then be sealed in an outer envelope.

18.2 The inner and outer envelopes Shall:

(a) be addressed to the Procuring Agency at the address given in the Bid Data Sheet; and

(b) bear the title of procurement Activity indicated in the Bid Data Sheet, the Invitation for Bids (IFB) title and number indicated in the Bid Data Sheet, and a statement: "DO NOT OPEN BEFORE - (mentioning the bid opening time and date),".

18.3 The inner envelopes shall also indicate the name and address of the Bidder to enable the bid to be returned unopened in case it is declared "late".

18.4 If the outer envelope is not sealed and marked as required by ITB Clause 18.2, the Procuring Agency will assume no responsibility for the bid's misplacement or premature opening.

19. Deadline for Submission of Bids

19.1 Bids must be received by the Procuring Agency at the address specified under ITB Clause 18.2 no later than the time and date specified in the Bid Data Sheet. Extinguisher

19.2 The Procuring Agency may, at its discretion, extend the deadline for the submission of bids by amending the bidding documents in accordance with ITB Clause 7, in which case all rights and obligations of the Procuring Agency and bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

20. Late Bids

20.1 Pursuant to ITB Clause 19 any Bid submitted or received by the Procuring Agency after the deadline for submission of bids prescribed by the Procuring Agency will be rejected and returned unopened to the Bidder.

21. Modification and Withdrawal of Bids

21.1 The Bidder may modify or withdraw its bid after the bid' s submission, provided that written notice of the modification, including substitution or

withdrawal of the bids, is received by the Procuring Agency prior to the deadline prescribed for submission of bids.

21.2 The Bidder's modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of ITB Clause 18. A withdrawal notice may also be sent by email, but followed by a signed confirmation copy, postmarked not later than the deadline for submission of bids.

21.3 No bid may be modified after the deadline for submission of bids.

21.4 Pursuant to the ITB Clause 15.7, no bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Bid Form. Withdrawal of a bid during the interval may result in the Bidder's forfeiture of its bid security.

E. Opening and Evaluation of Bids

22. Opening of Bids by the Procuring Agency

22.1 The Procuring Agency will open all bids in the presence of bidders' representatives who choose to be present, at the given date, time and venue specified in the Bid Data Sheet. The bidders' representatives who are present shall sign an attendance sheet establishing their presence.

22.2 The bidders' names, bid modifications or withdrawals, bid prices, discounts, and the submission or absence of requisite bid security and such other details as the Procuring Agency, at its discretion, may consider appropriate, will be announced at the opening. No bid shall be rejected at bid opening, except for late bids, which shall be returned unopened to the Bidder pursuant to ITB Clause 20.

22.3 Bids (and modifications sent pursuant to ITB Clause 21.2) that are not opened and read out at bid opening shall not be considered further for evaluation, irrespective of the circumstances. Withdrawn bids will be returned unopened to the bidder.

22.4 The Procuring Agency will prepare minutes of the bid opening.

23. Clarification

23.1 During evaluation of the bids, the Procuring Agency may, at its

of Bids

discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.

24. Preliminary Examination

24.1 The Procuring Agency will examine the bids to determine its responsiveness as per requirement detailed in bid data sheet and whether the documents have been properly signed, and whether the bids are generally in order.

24.2 Arithmetical errors will be rectified if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the Supplier does not accept the correction of the errors, its bid will be rejected, and its bid security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.

24.3 The Procuring Agency may waive any minor informality, nonconformity, or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.

24.4 Prior to the detailed evaluation, pursuant to ITB Clause 25 the Procuring Agency will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these Clauses, a substantially responsive bid is one which conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from, or objections or reservations to critical provisions, **such as** those concerning **Bid Security** (ITB Clause 15), **Applicable Law** (GCC Clause 30), and **Taxes and Duties** (GCC Clause 32), will be deemed to be a material deviation. The Procuring Agency's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic

24.5 If a bid is not substantially responsive, it will be rejected by the Procuring Agency and may not subsequently be made responsive by the Bidder by correction of the nonconformity.

25. Qualification & Evaluation of Bids

25.1 In the absence of **prequalification**, the Procuring Agency will determine to its satisfaction whether the Bidder qualifies to perform the contract

satisfactorily, in accordance with the criteria listed in ITB Clause 13.3.

25.2 Pursuant to ITB Clause 13.3 to determine responsiveness of the bidder, the procuring agency will consider Bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, as well as such other information as the Procuring Agency deems necessary and appropriate.

25.3 Pursuant to ITB Clause 24 the Procuring Agency through the evaluation committee (if constituted) will **technically evaluate** and compare the bids which have been determined to be substantially responsive, as per Technical Specifications required.

25.4 Financial evaluation of a bid will include delivered duty paid (DDP) price inclusive of prevailing taxes and duties.

Alternate

25.5 Quality & Cost-based Selection:

The following parameters shall be evolved to quantify the standing of bidders with respect to their technical and financial standing if specified in the Bid Data Sheet. The weightage of each parameter shall be specified in the Bid Data Sheet. The weightage however shall not be less than 70/30 (70 for technical and 30 for financial). The weightage may vary and enhanced depending upon the level of quality required by the procuring agency.

[In the Bid Data Sheet, choose from the range of]

1. Profile of company.
2. Valid Sales Tax Registration.
3. Valid Income Tax Registration.

6. Bidder shall submit their financial capabilities in form of Bank Statements, for last year.
7. Undertaking on Rs.100 stamp paper regarding not blacklisted by any Govt. or bilateral/multilateral financial institutions.

The bid scoring the highest number of points will be deemed to be the lowest evaluated bid.

26. Contacting the Procuring

26.1 Subject to ITB Clause 23, no Bidder shall contact the Procuring Agency on any matter relating to its bid, from the time of the bid opening to the

Agency

time evaluation report is made public i.e., 10 days before the contract is awarded. If the Bidder wishes to bring additional information or has grievance to the notice of the Procuring Agency, it should do so in writing.

26.2 Any effort by a Bidder to influence the Procuring Agency during bid evaluation, or bid comparison may result in the rejection of the Bidder's bid.

F. Award of Contract

27. Award Criteria

27.1 Subject to ITB Clause 30, the Procuring Agency will award the contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily. In case the lowest evaluated bidder refuses to execute the contract or respond to the procurement order his bid security be immediately forfeited and, he may in terms of Rule 20 / 21 of rules ibid be proceeded against. In such eventuality the procuring agency shall divert to the second lowest bidder after carefully analyzing the difference between the financial quantum of bid security submitted by the defaulting bidder and the difference between the financial bids first and second lowest bidder.

28. Procuring Agency's Right to Vary Quantities at Time of Award

28.1 The Procuring Agency reserves the right at the time of contract award to increase or decrease, by the percentage indicated in the Bid Data Sheet, which shall not be more than 15% of the quoted quantities of goods originally specified in the Schedule of Requirements without any change in unit price or other terms and conditions.

29. Procuring Agency's Right to Accept or Reject All Bids

29.1 In terms of Rule 35 of Rules ibid the Procuring Agency reserves the right to accept or reject all bids, and to annul the bidding process at any time prior to acceptance of the bid or proposal, without incurring any liability to the Bidder or bidders or any obligation to inform the Bidder or bidders of the grounds for the Procuring Agency' s action.

30. Announce of Evaluation

30.1 In terms of Rule 37 of Rules ibid the result of bid evaluation in the form

Report

of a report giving justification for acceptance or rejection of the bids shall be announced and will be uploaded on PPRA website and procuring agency website (if exist) at least 10 days prior to the award of procurement contract.

31. Notification of Award

31.1 Prior to the expiration of the period of bid validity, the Procuring Agency will notify the successful Bidder in writing by registered letter or by email, to be confirmed in writing by registered letter, that its bid has been accepted.

31.2 The notification of award will constitute the formation of the contract.

31.3 Upon the successful Bidder's furnishing of the performance security pursuant to ITB Clause 33, the Procuring Agency will promptly notify each unsuccessful Bidder and will discharge its bid security, pursuant to ITB Clause 15.

32. Signing of Contract

32.1 At the same time as the Procuring Agency notifies the successful Bidder that its bid has been accepted, the Procuring Agency will send the Bidder the Contract Form provided in the bidding documents, incorporating all agreements between the parties and asking for submission of performance guarantee of the contract price as per the %age mentioned in clause 7 of GCC read with clause 3 of SCC.

32.2 Within ten (10) days of receipt of the Contract Form, the successful Bidder shall sign and date the contract and return it to the Procuring Agency along with the performance guarantee in the form already specified in the bidding document.

33. Performance Security

33.1 The bidder may if agreed by the Procuring Agency submit the performance guarantee after signing of the contract but in such case the dispensation shall not be more than 10 days after the signing of the contract.

33.2 Failure of the successful Bidder to comply with the requirement of ITB Clause 32.2 or ITB Clause 33.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event the Procuring Agency as mentioned in clause 27 may make the award to

the next lowest evaluated Bidder or call for new bids

34. Corrupt or Fraudulent Practices

34.1 The Procuring Agency requires that Bidders, Suppliers, and Contractors observe the highest standard of ethics during the procurement and execution of contracts. For the purposes of this provision, the terms set forth below are defined as follows:

- (i) "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
- (ii) "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring Agency,
- (iii) "Collusive practice" is an arrangement among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels for any wrongful gains, and to deprive the Procuring Agency of the benefits of free and open competition;

- (a) The Procuring Agency will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- (b) The Procuring Agency in terms of Rule 20/21 of Rules ibid will sanction a firm, in accordance with prevailing Blacklisting procedures, if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a Bank-financed contract.

34.2 Furthermore Bidders shall be aware of the provision stated in sub-clause 5.4 and sub-clause 24.1 of the General Conditions of Contract.

Section-IV. Technical Specifications

(1) TECHNICAL SPECIFICATIONS OF VACUUM ROAD SWEEPER MACHINE

1. CHASSIS REQUIREMENT

Must be compatible with ISUZU NPR-71 (4 X 2) 16 ft, Euor II.

2. GENERAL

Controls are at right side, vacuum at both sides (not simultaneously), and right cameras / monitor system for the driver to see the right side better.

3. AUXILIARY ENGINE

- 95~105 hp @ 2500 rpm, 4 cylinder
- The air inlet of the suction filter of the engine will be located on the top of the body to avoid suction of dusty air.
- When the oil pressure drops the engine will be shut down automatically and if an overheating occurs in the engine the fan will be disengaged and the engine will be shifted to idle speed automatically.
- There is a fan cowling which covers the engine and fan during operation. It is an integral part of the body and can be raised with the body to enable easy access to the engine and the fan. There is a sealing when in lowered position to avoid entry of dust to the auxiliary engine compartment. High level vents are available to obtain clear air flow for engine cooling. The cowling is lined with acoustic material to prevent noise propagation.
- The fan has a stainless steel, multi-vane and self-cleaning type impeller. It is driven by the auxiliary engine via a torque converter and a gearbox.
- The fan will produce 15000 m³/h flow rate at 3000 rpm.
- It creates a powerful suction and can suck stones of ca. 2.5 kg. This robust and dependable drive can work all day long without any overheating problems and loss of power in the transmission.

4. WASTE TANK

- Volumetric capacity of the garbage tank will be 4 m³.
- The floor of the garbage tank will be manufactured from AISI 304 Stainless Steel Garbage tank is designed to be elevated minimum 55 degrees and to avoid overturn while dumping.
- Rear gate of garbage tank can be closed from outside the cabin (button is near the rear gate) to avoid the possibility of any accidents.
- Telescopic cylinder will be used in order to lift garbage tank.

5. WATER TANK

- The water tank will be manufactured from welded AISI 304 Stainless Steel and will be integral with the waste tank.
- The water tank will have a volume of 1,000 liters.
- The tank can be entered and the mud which is very likely to precipitate in time in it can be cleaned thoroughly. It is not an obstruction to reach the components on the chassis, since it is raised with the body.
- There is an electronic water level indicator inside the cab and warning light and buzzer for minimum water level.
- There is a water hose (10 m) with automatic roller system near the rear door to wash the inside of the tank.

6. BRUSHES

- Sweeping is performed by means of two disc brushes one located on each side and a cylindrical middle brush.
- Sweeping width is 2,100 mm, when any of the side brushes and the middle brush are operated together.
- The side brushes will have diameter of 800 mm and the tip and tines will be made of steel (may be made of polypropylene if required).
- The side brushes will be equipped with a kick-back mechanism and the pressure made by the brush to the ground will be pneumatically adjustable.
- Side brushes can be operated independently from the middle brush.
- Speed of the side brushes will be adjustable.
- The brushes are raised and lowered by a pneumatic cylinder.
- The side brushes have a safety latch.
- The middle brush will have a diameter of 400 mm and polypropylene tines.
- The middle brush will be 1,300 mm long.
- The pressure applied by the brush on the road will be variable.
- The brush will automatically turn to the side swept.
- The brush will be raised and lowered by a pneumatic cylinder.
- Speed of the brush will be adjustable.
- The middle brush is specially designed to avoid conical wearing. It is carried not by the truck chassis directly, but by a 3-point bracket, 2 points of which are carried by the axle of the truck.
- The middle brush has a safety latch.

7. SUCTION UNIT

- The suction nozzle will be manufactured from aluminum casting and lined with rubber internally to avoid wearing.
- It is carried by a couple of castor wheels and has the feature of increasing the gap to the ground by driver's control.
- The suction hose will have a diameter of 230 mm and will be 1 m in length.
- The wandering hose will be flexible and easy to use with a diameter of 150 mm and a length of 4.5 meters. The wandering hoses will be located on the rear part of the sweeper.
- The Fan will produce 15000 m³/h flow rate at 3000 rpm.
- There will be water injection for dust control.

8. WATER SPRAY SYSTEM

- The water pump maximum working pressure 140 bar, peak value 225 bar, maximum torque 130 Nm, maximum working speed 615 rpm and it will be driven by hydraulic pump.
- Filter will be there in suction line of water pump (water pump exit).
- Flow rate of spray system adjustable from driver cabin.
- Regulator water pump that make pressure balance, membrane type, 40 bar pressure, will be in spray system.
- All pumps, tubes, valves, fittings, filters and other all equipment's on waterways of spray system have been consisted of corrosion-resistant materials (such as bronze, copper, bell metal, steel and plastic etc.)
- There will be irrigation modules in front of the truck, side (flank) brush and middle brush and vacuum suction nozzle. Those modules will be able to work independently from each other if required. Flow balance will be arranging on each section through the instrumentality of regulator that has been set up on truck.
- Spray system will change its direction during the right or left side requested sweeping via automatic pneumatic valves which is fixed on the vehicle.
- There must be a Sprinkler system at front of vehicle.

- There must be a system for High Pressure Manual Washing of Roads.

9. ELECTRICAL SYSTEM

- The sweeper will have a 12 volt, 135 ampere battery, 2 units' 300 x 300 mm flash lights at the rear-bottom sides of the body and 2 beacons at the rear top side of the body.
- For safety there is a main switch closing all electrical circuits on the superstructure when necessary.

10. CONTROL PANEL

There is a control panel in the driver cabin equipped with necessary warning lights.

11. SAFETY MEASURES

Compatible with CE regulations.

12. DOCUMENTS / MANUAL

1 set of User & Maintenance Manual will be provided.

13. WARRANTY

The Road Sweeper has 1-(one)-year warranty starting from date of delivery, against any kind of faulty parts or laboring mistakes. General Services of Machinery every 6 month for the period of 3 years after completion of Warranty period at the cost of supplier.

Part-II

Section II. General Conditions of Contract

1. Definitions

1.1 In this contract, the following terms shall be interpreted as indicated;

- (a) "The Contract" means the agreement entered into between the Procuring Agency and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- (b) "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
- (c) "The Goods" means all of the equipment, machinery, and/or other materials which the Supplier is required to supply to the Procuring Agency under the contract.
- (d) "The Services" means those services ancillary to the supply of the Goods, such as transportation and insurance, and any other incidental services, such as installation, commissioning, provision of technical assistance, training, and other such obligations of the Supplier covered under the contract.
- (e) "GCC" means the General Conditions of Contract contained in this section.
- (f) "SCC" means the Special Conditions of Contract.
- (g) "The Procuring Agency" means the organization purchasing the Goods, as named in SCC.
- (h) "The Procuring Agency's Country" is Islamic Republic of Pakistan.
- (i) "The Supplier" means the individual or firm supplying the Goods and Services under this Contract.
- (j) "The Project Site," where applicable, means the place or places named in SCC.

(k) "Day" means calendar day.

- 2. Application** 2.1 These General Conditions shall apply to the extent that they are not superseded by provisions of other parts of the Contract.
- 3. Country of Origin** 3.1 For purposes of this Clause, "origin" means the place where the Goods were mined, grown, or produced, or from which the Services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 3.2 The origin of Goods and Services is distinct from the nationality of the supplier.
- 4. Standards** 4.1 The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications, and, when no applicable standard is mentioned, to the authoritative standards appropriate to the Goods' country of origin. Such standards shall be the latest issued by the Concerned institution.
- 5. Use of Contract Documents and Information; Inspection and Audit by the Bank** 5.1 The Supplier shall not, without the Procuring Agency ' s prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Procuring Agency in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The Supplier shall not, without the Procuring Agency's prior written consent, make use of any document or information enumerated in GCC Clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the Contract itself, enumerated in GCC Clause 5.1 shall remain the property of the Procuring Agency and shall be returned (all copies) to the Procuring Agency on completion of the Supplier ' s performance under the Contract if so, required by the

Procuring Agency.

5.4 The Supplier shall permit the Procuring Agency to inspect the Supplier's accounts and records relating to the performance of the Supplier and to have them audited by auditors appointed by the Procuring Agency, if so required by the Procuring Agency.

6. Patent Rights

6.1 The Supplier shall indemnify the Procuring Agency against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.

7. Performance Security

7.1 Within ten (10) days of receipt of the notification of Contract award, the successful Bidder shall furnish to the Procuring Agency the performance security in the amount specified in SCC.

7.2 The proceeds of the performance security shall be payable to the Procuring Agency as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.

7.3 The performance security shall be denominated in the currency of the Contract acceptable to the Procuring Agency and shall be in one of the following forms:

(a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in Pakistan, in the form provided in the bidding documents or another form acceptable to the Procuring Agency; or

(b) a cashier's or certified check.

7.4 The performance security will be discharged by the Procuring Agency and returned to the Supplier not later than thirty (30) days following the date of completion of the Supplier's performance obligations under the Contract, including any warranty obligations, unless specified otherwise in SCC.

8. Inspection and Tests

8.1 The Procuring Agency or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Procuring Agency. SCC and the Technical Specifications shall specify what inspections and tests the Procuring Agency requires and where they are to be conducted. The

Procuring Agency shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

- 8.2 The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery, and/or at the Goods' final destination. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring Agency.
- 8.3 Should any inspected or tested Goods fail to conform to the Specifications, the Procuring Agency may reject the Goods, and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Procuring Agency.
- 8.4 The Procuring Agency's right to inspect, test and, where necessary, reject the Goods after the Goods' arrival in Pakistan shall in no way be limited or waived by reason of the Goods having previously been inspected, tested, and passed by the Procuring Agency or its representative prior to the Goods' shipment from the country of origin.
- 8.5 Nothing in GCC Clause 8 shall in any way release the Supplier from any warranty or other obligations under this Contract.

9. Packing

- 9.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the

Procuring Agency.

10. Delivery and Documents

10.1 Delivery of the Goods shall be made by the Supplier in accordance with the terms specified in the Schedule of Requirements. The details of shipping and/or other documents to be furnished by the Supplier are specified in SCC.

10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

11.1 The Goods supplied under the Contract shall be delivered duty paid (DDP) under which risk is transferred to the buyer after having been delivered, hence insurance coverage is sellers' responsibility.

12. Transportation

12.1 The Supplier is required under the Contract to transport the Goods to a specified place of destination within the Procuring Agency's country, transport to such place of destination in the Procuring Agency's country, including insurance and storage, as shall be specified in the Contract, shall be arranged by the Supplier, and related costs shall be included in the Contract Price.

13. Incidental Services

13.1 The Supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC;

- (a) performance or supervision of on-site assembly and/or start-up of the supplied Goods;
- (b) furnishing of tools required for assembly and/or maintenance of the supplied Goods;
- (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods;
- (d) performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and
- (e) training of the Procuring Agency's personnel, at the Supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied Goods.

13.2 Prices charged by the Supplier for incidental services, if not included in the Contract Price for the Goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged for other parties by the Supplier for similar services.

14. Spare Parts

14.1 As specified in SCC, the Supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:

- (a) Such spare parts as the Procuring Agency may elect to purchase from the Supplier, provided that this election shall not relieve the Supplier of any warranty obligations under the Contract; and
- (b) In the event of termination of production of the spare parts:
 - i. Advance notification to the Procuring Agency of the pending termination, in sufficient time to permit the Procuring Agency to procure needed requirements; and
 - ii. Following such termination, furnishing at no cost to the Procuring Agency, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The Supplier warrants that the Goods supplied under the Contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the Procuring Agency's specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified

otherwise in SCC.

15.3 The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the Supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the purchaser.

15.5 If the Supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, within a reasonable period, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

16. Payment

16.1 The method and conditions of payment to be made to the Supplier under this Contract shall be specified in SCC.

16.2 The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and Services performed, and by documents submitted pursuant to GCC Clause 10, and upon fulfillment of other obligations stipulated in the Contract.

16.3 Payments shall be made promptly by the Purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the Supplier.

16.4 The currency of payment is Pak rupees.

17. Price

17.1 Prices charged by the Supplier for Goods delivered and Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid, with the exception of any price adjustments authorized in SCC or in the Purchaser's request for bid validity extension, as the case may be.

18. Change Order

18.1 The purchaser may at any time, by a written order given to the supplier pursuant to GCC Clause 31, make changes within the general scope of the contract in any one or more of the following:

- (a) drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the purchase;
- (b) the method of shipment or packing;
- (c) the place of delivery, and/or
- (d) the services to be provided by the supplier.

18.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of the Purchaser's change order.

19. Contract Amendments

19.1 Subject to GCC Clause 18, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

20. Assignment

20.1 The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Purchaser's prior written consent.

21. Sub-Contract

21.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the Supplier from any liability or obligation under the Contract.

21.2 Sub-Contracts must comply with the provisions of GCC Clause 3.

22. Delays in the Supplier's Performance

22.1 Delivery of the Goods and performance of Services shall be made by the Supplier in accordance with the time schedule prescribed by the Purchaser in the Schedule of requirements.

22.2 If at any time during performance of the Contract, the Supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify

the Purchaser in writing of the fact of the delay, its likely duration and its causes. As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.

22.3 Except as provided under GCC Clause 25, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 23, unless an extension of time is agreed upon pursuant to GCC Clause 22.2 without the application of liquidated damages.

**23. Liquidated
Damage**

23.1 Subject to GCC Clause 25, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in SCC. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 24.

**24. Termination
for Default**

24.1 The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate this Contract in whole or in parts:

- (a) if the Supplier fails to deliver any or all of the Goods within the period(s) specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 22; or
- (b) if the Supplier fails to perform any other obligation(s) under the contract
- (c) if the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

For the purpose of this clause:

"Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

"Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring Agency, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Procuring Agency of the benefits of free and open competition.

24.2 In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 24.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22, 23, and 24, the Supplier shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

25.2 For purposes of this clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

25.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance

not prevented by the Force Majeure event.

**26. Termination
for Insolvency**

26.1 The Purchaser may at any time terminate the Contract by giving written notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.

**27. Termination
for Convenience**

27.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

27.2 The Goods that are complete and ready for shipment within thirty (30) days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect;

- (a) to have any portion completed and delivered at the Contract terms and prices; and/or
- (b) to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Services and for materials and parts previously procured by the Supplier.

**28. Resolution of
Disputes**

28.1 The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

28.2 If, after thirty (30) days from the commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms specified in SCC. These mechanisms may include, but are not restricted to, conciliation mediated by a third party, adjudication in an agreed and/or arbitration.

**29. Governing
Language**

29.1 The Contract shall be written in the language specified in SCC. Subject to GCC Clause 30, the version of the Contract written in the specified

language shall govern its interpretation. All correspondence and other documents pertaining to the Contract which are exchanged by the parties shall be written in the same language.

30. Applicable Law

30.1 The Contract shall be interpreted in accordance with the laws of Islamic Republic of Pakistan.

31. Notices

31.1 Any notice given by one party to the other pursuant to this Contract shall be sent to the other party in writing or by fax and confirmed in writing to the other party's address specified in SCC.

31.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

32. Taxes and Duties

32.1 Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Purchaser.
